ABOUT THE SCHOOL & DONOR

BEREAN ACADEMY – This school provides a program of education which promotes a Christ-centered lifestyle, upholds a standard of scholastic excellence, promotes the principles established in the Word of God, furnishes instruction in a Christian worldview, and prepares students to take their places in the home, church, their vocations, and their country. Berean Academy is a well-rounded, accredited program of academia and co-curricular activities which is provided by committed teachers and staff who are excellent in their field of teaching and consistently model Godly behavior.

LAVERNE ESAU – As a graduate of Berean Academy, Laverne recognizes the positive impact Berean Academy had on him at a young age, which helped set the stage for continued success throughout his adult life. Now, Laverne has decided to give back and is gifting a tremendous gun and knife collection to Berean Academy. Laverne has spent a lifetime building this collection and now we have the unique opportunity to show and sell it to you. As you will see, Laverne not only paid extreme attention to detail but looked for the very best condition of every gun and knife he collected.

ABOUT THE AUCTION

All items will sell at the live auction, plus have the option for online bidding, this is called a Webcast Auction. These include a pre-bidding phase, which is a lot like a timed auction, but they also include a live element in which online bidders join bidders in the auction room with a live auctioneer. It's just like being in the room, but from anywhere in the world. These lots will close with the live auction on Saturday, 06/15/2024 starting at 10:00am. To ensure that you are approved to bid, register for the auction no later than Friday, 06/14/2024 at 4pm, those that register after that might not get approved. Call Chuck Maggard at 620-794-8824 or Andy Phipps at 620-794-1673 if you have questions.
